Les histoires complètes et gags que nous vous proposons dans cet album et le suivant sont inédits sous forme de livre quoique tirés des archives de Roba.

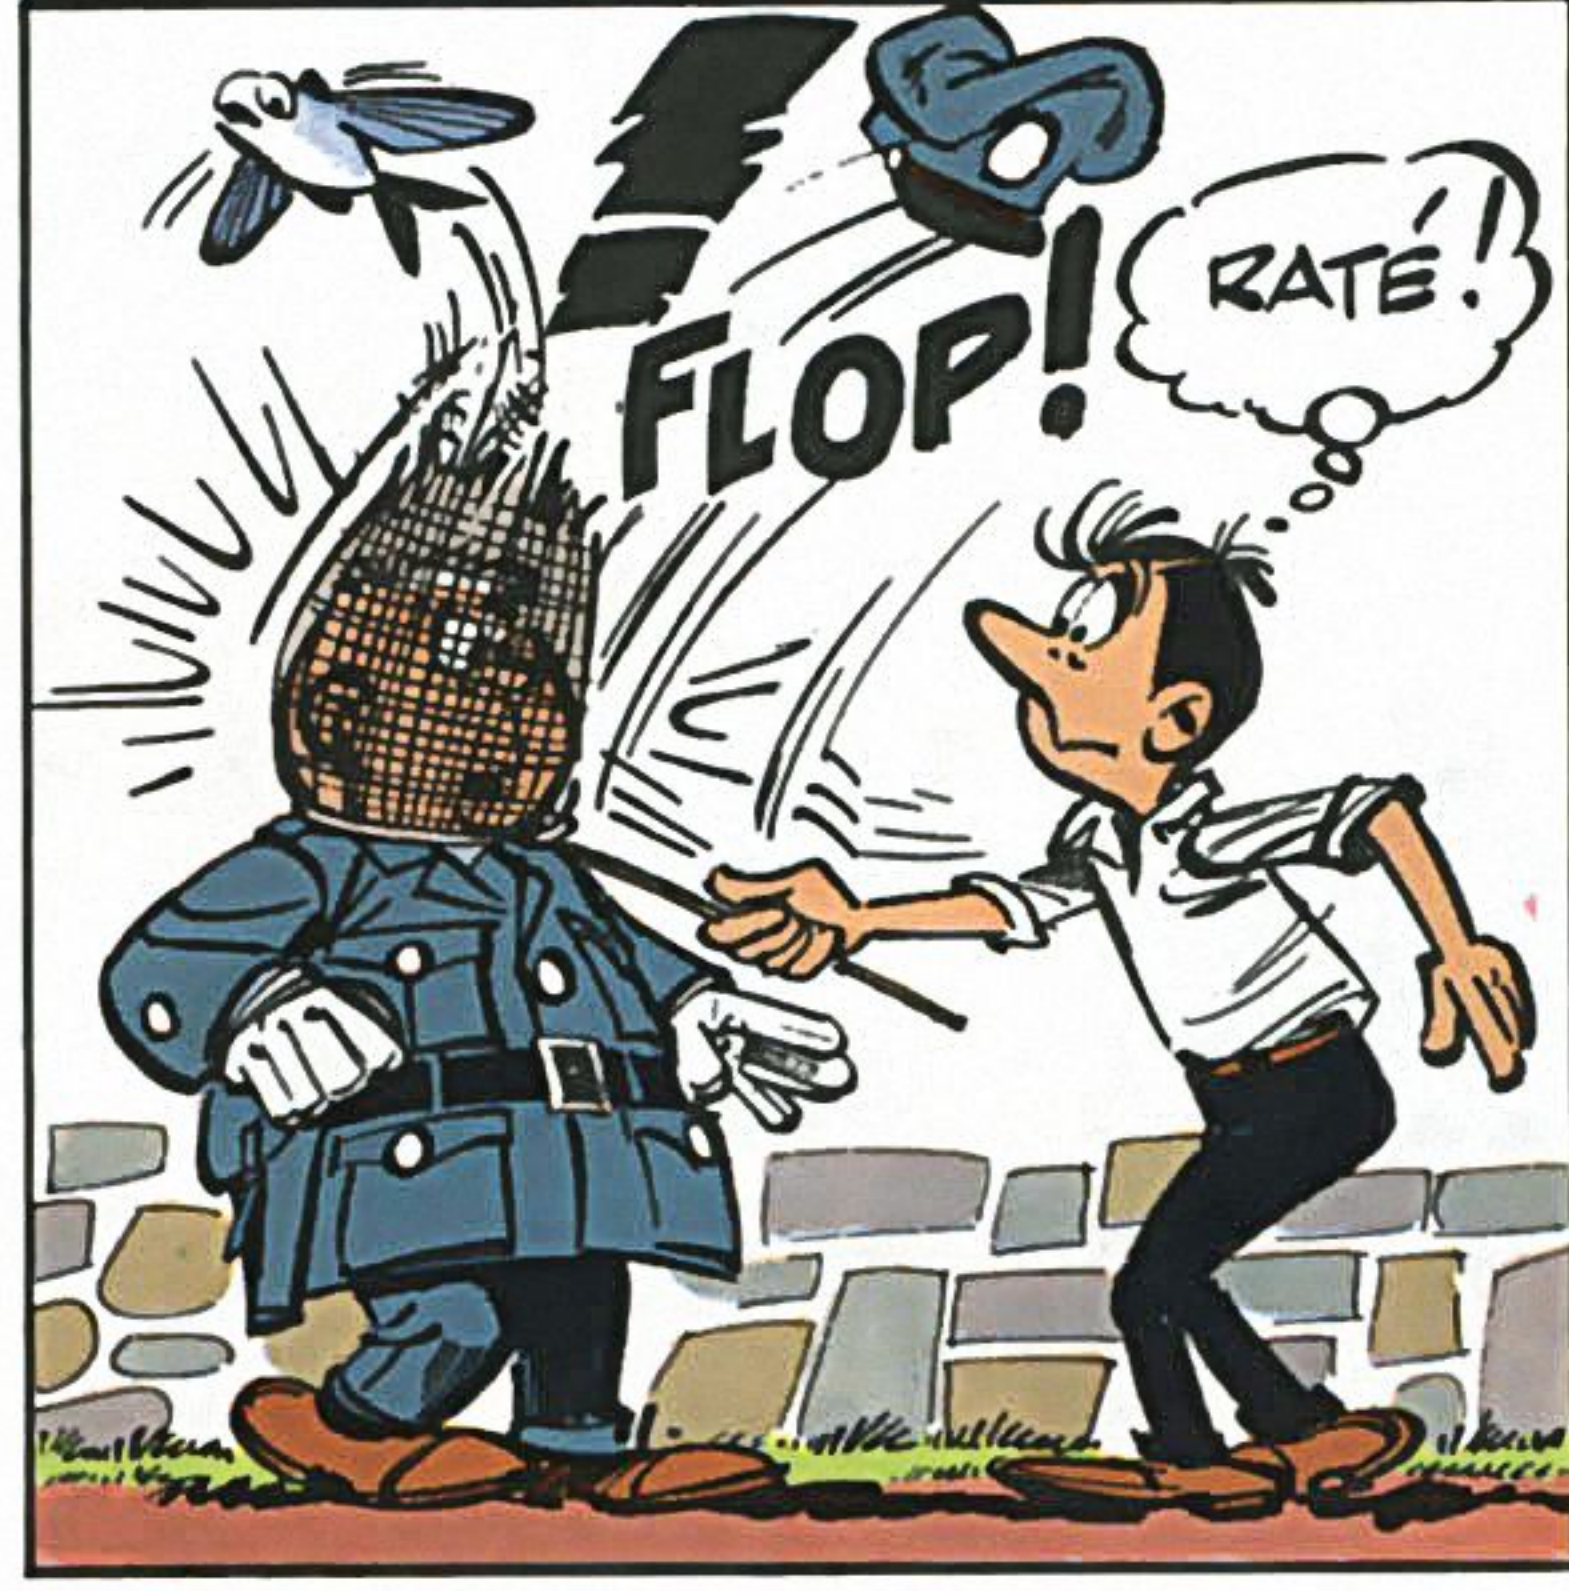

Vous y trouverez les trois seules histoires complètes jamais réalisées avec Boule et Bill. Dans ce tome déjà : en introduction, la toute première histoire complète de Boule et Bill présentée en 1960 dans SPIROU (n° 1146) avant que ne débute la collection de gags en une planche ; en finale, un récit en quatre planches réalisé pour un numéro spécial de vacances en 1967 (SPIROU n° 1524). Entre ces deux pôles, vous découvrirez des gags omis jadis et s'échelonnant entre 1961 (SPIROU n° 1192) et 1963 (SPIROU n° 1328). La suite au prochain volume !
